HOW TO MEASURE

BODY CHEST

Measure around the fullest part of your chest.

JACKET CHEST

Measure around the chest where the jacket will sit.

WAIST / BOTTOM

Measure around your natural waistline.

HIP

Measure around the fullest part of your hips.

SHOULDERS

Measure from one shoulder edge to the other.

SLEEVES

Measure from the shoulder seam to the wrist.

BACK LENGTH

Measure from the base of the neck to the desired length.

NOTE:

All measurements are in inches. Please allow 0.5 - 1 inch tolerance due to manual measurement. If you are between sizes, we recommend choosing the larger size for a more comfortable fit.

A row of leather jackets hanging on a black metal rack. The jackets are made of various shades of brown and black leather, some with a smooth finish and others with a suede-like texture. They are all hanging on wooden hangers with silver-colored metal hooks. The background is a blurred view of a city street through a window.
